## General Meeting Recap!

**What a great meeting we had Tuesday Oct 1st at the Elks Club.**

We had 45 members attend, got well fed and informed by our President and Board. Also, our 3 favorite mountains, Song/Labrador and Greek Peak, were there to let us know what great things to expect in the coming Ski Season. **Greek Peak has gone all 'digital'**, so you **MUST** create an account to ski Greek. Check them out and start your exercises that Linda and Deb shared with us at the meeting!

**President's Message:**

Hi All!

**Welcome to fall!** And I was only partly surprised to see Walmart's Garden Center almost completely changed over to Christmas/holiday items already last week.

Anyway, the club and local ski resorts are getting ready for the winter season as well. We hope you attended the October General Meeting to hear the news from Song/Labrador and Greek Peak resorts.

The board wants to thank Andrea Price for her valuable time and energy as our Vice-President but she has had to step down from the position. So we are now looking for a replacement until the elections next March. Please let any board member know if you are interested!

There are some fun activities ahead like the famous Road Rally and Warren Miller movie.

Plan to attend and share the experience !
