**President's Corner**

Hi All!

It's been a tough season for skiers this year. I have to say it hasn't been all bad. The ski areas have done a pretty decent job making snow when they can and it's been spring conditions a lot of the time. I don't think it's over yet. It's snowing here in Stratton now and we should have another great day of skiing! Thanks to Kelly for putting together another awesome 3 day trip! I hope to see you at the March meeting, come and vote! Think snow!
