President's Message:

Hi All!

I hope those that attended the banquet enjoyed the event. I was not able to attend this year. We will be planning hiking and biking soon now that spring is near. The wildflower walks are always popular. Hopefully more information about the 2025 ski trips is available soon too. These trips are still our biggest projects but we try to plan other activities for others in the club to participate in too. As always, if you have any ideas please contact one of the board members!
